The wild and windy night
that the rain washed away
has left a pool of tears
crying for the day,
why leave me standing here,
let me know the way.

Many times I've been alone
and many times I've cried,
anyway you'll never know
the many ways I've tried.
but still they lead me back
to the long winding road,
you left me standing here,
a long long time ago,
don't leave me waiting here,
lead me to your door.

MID-TERM GRADUATES

This year's mid-term graduates were quite minimal but never the less they credited for the outstanding achievements in the past four years. At this small yet humble gathering school administrators as well as students and parents joined in on one of the most celebrated days of one's life. Congratulations are in order for a fine group of scholars. It is them that will be America's future.

Mid-term graduates of the class of '82 proudly display their diplomas. Left to right; Mr. Brock, Angie Tapia, Valerie Allison, Mark Martin, Darlene Rose, Mr. Daggett.

The "Ranch" Fall and Spring student administration hit new highs this year. From Helium balloon sales to the back to the basics sale of See's suckers. This years student administration brought together high spirited activities including our successful Fall and Spring Spirit Days. Freshman officers were slowly building a strong office as with the Sophomores. As for the Juniors, they were busy planning for a highly celebrated Senior Prom. And for the Seniors, well they were plagued with that very sought for disease, SENIORIDOUS! Three cheers for a highly credited student administration.

Class of '85 (Big mouths from hell!) **RALLIES RAISE SPIRIT**

The Student Council designed rallies to improve school spirit and provide support for the teams. AILEEN FREDRICKS, the spirit chairman, along with her spirit committee, planned many imaginative activities for the rallies, such as: A Dime-in-Flour relay, Hot Fudge Sundae on the stomach, many exciting skits and countless follies. The Student Council along with the Varsity Football team performed a very cute skit to the song "Boy From New York City". The rallies had many guest appearances. Among the guests were Chuck E. Cheese, the mascot of a local pizza pub, a Disc-Jockey from KTOB radio as one of the Blues Brothers. This year noon rallies were held for the first time. They sported spirit and most everyone got into the action and enjoyed themselves.

QUEEN ROLLS ON THE ROAD TO ROYALTY

The crowd cheered as the Homecoming Queen Candidates for 1981 came around the track in Rolls Royces and Corvette Convertibles. The first around the track were the candidates' escorts, glowing in their white tuxedos. The class princesses were next, with DEBBIE MIHM Freshman, ELENA LOPEZ Sophomore, and DEANNA BACIGULUPI Junior Princess. Immediately following were the smiling queen candidates: RHONDA BIRDSONG, CORI FREEMAN, TERESA MCKEEVER, MICHELLE SWENSON, and KATHY VALENTINE. In the final car was last year's queen, TRACY GREGONIS. Everyone held their breath when the announcer paused to declare this year's queen. The silence seemed to last forever, and finally he announced this year's homecoming queen . . . RHONDA BIRDSONG. During the cheers, attentive eyes and clicking cameras recorded TRACY'S placement of the crown on RHONDA'S head.

The game caused tension and excitement as well. Even though we trailed behind a point at halftime, the mighty COUGARS came back and trampled the Santa Rosa Panthers. 20-14.

COUGARS STRIKE BY NIGHT

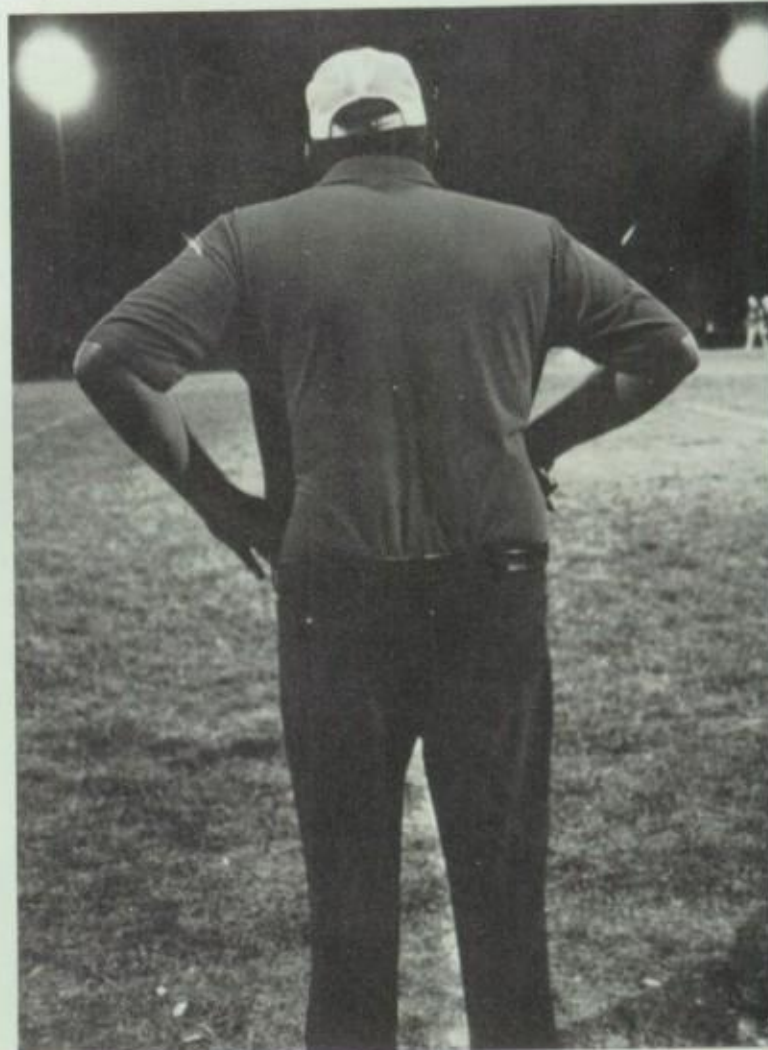

The 1981 Cougar Football season produced many exciting moments. The team was paced by a host of Junior athletes on offense and many fine Seniors on defense. Athletes like BOB GRIFFITH, STEVE GIULIANI, FRANK SELTO, RODNEY COOLEY, KEN GUTTIG, and JOHN DAVISON paced the offensive unit, while RICK POTTER, RANDY WARMAN, RANDY KELLER, NEIL COLTER, DOUG SULLIVAN, and STEVE HANLEY helped unite the tough defensive unit. The team finished the season with a 3-7 overall record and a 2-3 league record resulting in a fourth place finish in the tough North Bay League. The team's enthusiasm and pride enabled them to be well respected as a football team and Rancho-Cotate High School is proud to have had them represent the school.

FRESHMEN COME CLOSE

This year's team, coached by Dennis Bettencourt, Mike Freitas, and Ken Aggio, completed their 7 game season with a 4-3 record. Included in this record were sure wins over Analy, Sonoma, El Molino, and Petaluma. The Petaluma game was the high point of the season as Tim Schubert kicked a game winning 32 yard field goal with no time left on the clock to complete a second-half comeback 16-13. The 4-3 record is mis-leading as all seven games were close and could have gone to either team. Outstanding players include- Tim Schubert, Q.B. Tom Johnson, Mike Cooley, Doug Gordon, Eddie Saiz, Mitch Obenhaus, Tad Brown, Russ Trinidad, and Ken 'Mongo' Larsen.

CROSS COUNTRY

A GETS RUNNING START

The "Ranch" Cross Country Team had a record breaking year. Thanks to Coach Lombardi, the Cross Country Team won with high scoring achievements from their Petaluma meet to their Eureka meet. This year's team was blessed with some of the finest athletes, to mention a few, Bill Fuller, Liam Greiser, and Jamie Llopes were considered some of the most valued out of the entire team. But as whole the entire team was of a great asset to the "Ranch". Congratulations are in order for this highly inspired team.

SWIMMIN' TO THE WORLD

JACQUELINE/KOMRIJ

Jacqueline has made quite a splash in the swimming world during the past two years. In April, 1980 she was the "star" in the North Bay area due in large part to the fact that she had qualified for and attended the United States Swimming National Championships held at the University of Texas. Jacqueline finished thirty-eighth at that meet. During the past two years, however, Jacqueline has improved her performance steadily. In August, 1980, she improved her finish to fifteenth although she was disqualified during the finals. In April, at Harvard, one year after her 38th at Texas, Jackie finished sixth in the 100 breaststroke and sixteenth in the 100 butterfly and breaststroke signalling her arrival on the national scene. This past August, in Milwaukee, Jackie placing fourth in the 100 breaststroke, sixteenth in the 100 butterfly, and 200 breaststroke and again moved up a notch. She was named to two United States National Teams. The first trip was in August to Tokyo where she finished second against a top flight international field. The second was in February to her native Holland and then on to Paris, France. Again as second place finish against Europe's best, was a terrific achievement.

Jacqueline's success this past year has also won her respect of the coaching community and her peers. In February she was named "Pacific Swimming Female of the Year".

All of this has been but the first positive step forward for this young lady. She is now in the process of choosing a college, no easy task! From there on there will be more competition in her life. The way it's going this girl has just begun!!

SOCCER IS A KICK IN THE GRASS

This year's Soccer Team showed some improvement. The eight returning players helped in gaining an edge over last year's season. Coach Gil Soto started the season with five first year players who gained in valuable experience.

Senior Paul Markovich said, "The team shows promise. We worked hard this season and I'm optimistic that next year will be better yet for soccer at the Ranch."

SWINGIN'

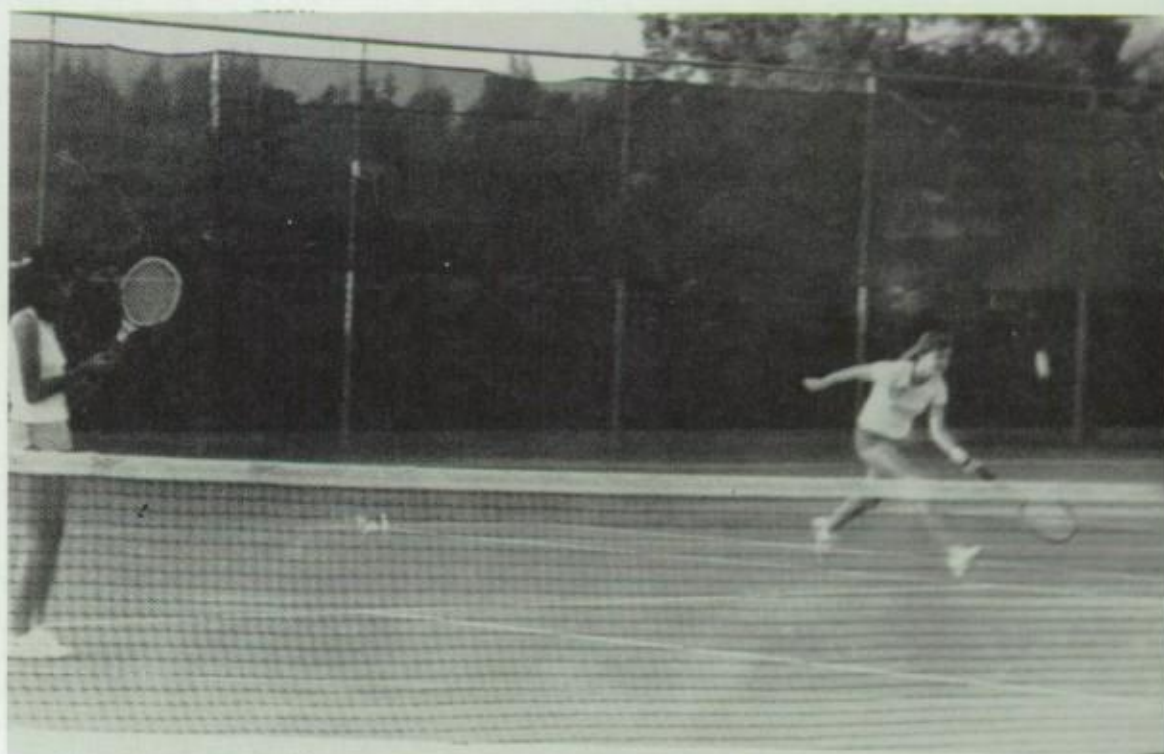

This may not have been the best tennis year for the girls at the RANCH but they put up a good fight. Renee Ripperger and Moniquea Harris were the only returning netters from last year to help out the team with a little experience. At the beginning of the season Harris had a shoulder injury which eliminated her from the rest of the season's play. Vanda Spivey said, "The majority of the team were mere rookies but we had a lot of fun during the season even though we came out second to last." Also being as none of the '81 netters were seniors they will probably be back next year. Sophomore Caroline Pierce received the BEST RECORD award while Harris was promoted to manager.

WRESTLERS TAKE DOWN THEIR OPPONENTS

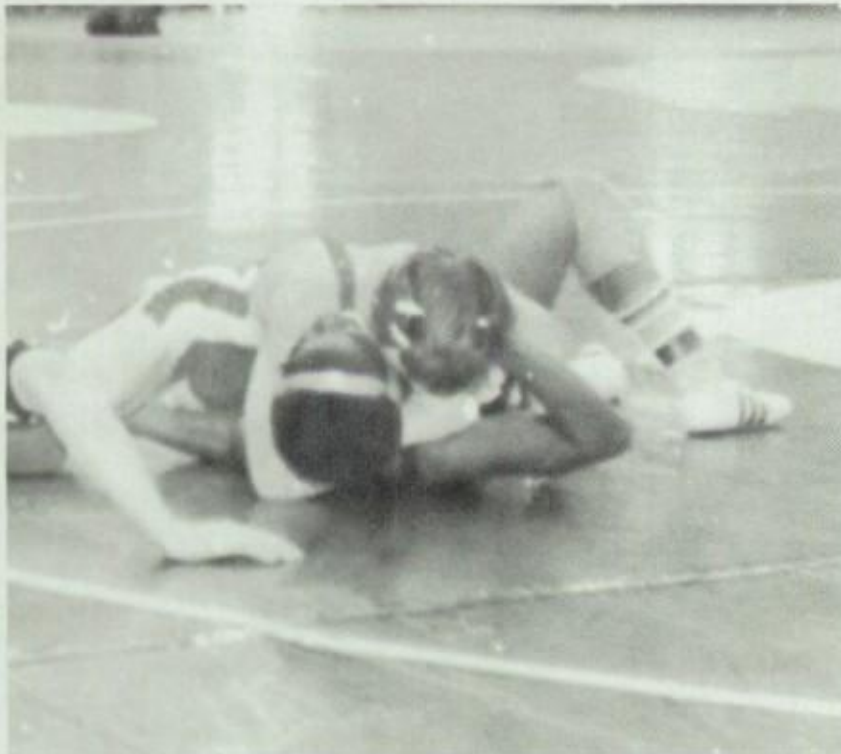

A big round of applause should be given to Coaches Hansen and Lunsford, who brought 1982's wrestling team to victory. The Cougars were definite winners this year, stealing the Number One spot in the North Bay League with a 5-0 record. The whole team did remarkable, and five members of the team took the title in their weight class—Rich Rapalyea, Rob Clay, Allen Edwards, Sandy Reaney, and John Tirre.

The team had many strengths, with the biggest being their mental toughness; helping them to overcome all their difficult opponents.

COUGARETTES SWING INTO ACTION

The 1982 Cougarette softball team started off on a positive note this season. The very determined group of young ladies showed great enthusiasm throughout the year. Star players, all 1982 graduates Mindy Haydock, Michelle Manteuffel, Cheryl Ciociolo and Aileen Fredericks will all be missed next season. Coach Alton stated that the remaining stars hope to recruit new members for next season.

GOLFERS DRIVE TO VICTORY

Golf coach John Gulbransen spoke highly of his team, and praised their many strengths. They were a very dedicated team that enjoyed the game, they put in over 100 hours a month practice time, and they got along well.

The team promised to place first or second, with eight returning players led by team captain Rob Whitham.

This year was a good year for baseball. The Ranch's Varsity team was inexperienced, but with the help of Mr. Dougherty's coaching skills they had a good season. "There were no easy games and no hard games" says Mr. Dougherty, "the league was pretty well balanced."

Their greatest strength was their pitching squad, made up of Will Chumley, Sil Navarro, and Dave Goodwin. Their basic efforts were focused on fundamentals, and if you were at any of the games you'll already know that Mr. Dougherty did much more talking this year than last year.

RANCH RUNNERS

With many other changes at the Ranch, so was there a change with the RANCH RUNNERS. The past three years all home meets were run at SSU, but not this year. The Ranch track looked good and home meets were held here. Most of the runners were young, but experience and prestige comes with age as perfection comes with practice.

This year's coaching staff also changed. Mr. Lombardi was the new distance coach, Don Ottolini and Don Vescobi were the weight coaches and Kent Holman was the jumpers trainer. Dennis Bettencourt remained the Head Coach as well as the sprinting coach.

OPEN ROADS

OPENROADS

High school days are only a segment of one's life.

"Here today, gone tomorrow," when you look back at all the joy as well as sorrow.

Search your mind for past and future thoughts of success.

The year 1982 may have been on your shoulders a heavy load, but remember your hard work opened for you many different roads.

CLUBS

This year the RCHS choir started off their year of music with great enthusiasm! Early morning warm-ups trained their voices to help them give excellent performances throughout Sonoma County. "Teen" was the musical that they performed this year under Mr. Wright's conducting.

SONGS OF DIFFERENT VOICES

Speech Club had a great year of debating. They participated in ten different competitions, with Jamie Lawson, the club president, won a second place in her speech on original poets poetry. The club earned their money for trip expenses through concessions at home basketball and football games. The other club officers are: Beck Sailer-Secretary and Mike Alford-Treasurer. Mr. Davis is their advisor.

3. Mike Alford gives Tami Mihm an award.

BSU IS ON THE RIGHT KEY

Against all popular belief the Black Students' Union is not only for the black students at Rancho Cotate. This club's membership consist of Hispanics, Whites as well as black students. Their activities for 81-82 were many but only a few reached a completion stage. In those that succeeded were: A seminar throughout February for Black History Month, See's candy sales, and a dance. The funds raised went toward their annual State Convention, this year held in Sacramento.

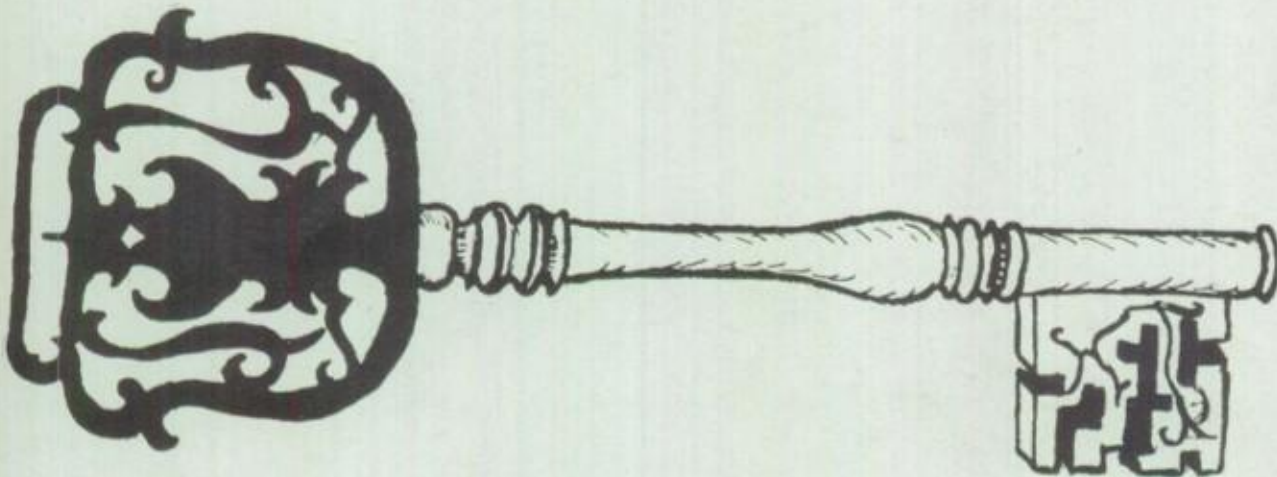

1. Students sign-up to become members of the Black Students' Union.

2. 81-82 BSUA* back: G. Neal, M. Harris, L. VanZandt, D. Lawrence, M. Osornio, H. Oden, A. Smith, K. Neal, R. Gonzales, D. Arnaud, L. Green, A. Harris Front: Y. Matthews, M. Oliver, J. VanZandt, B. Wilson, C. McCoy, A. Cage, R. Hunt

3. This is the Key, Now where is the Club??

KEY CLUB is a service club for high school students. It is sponsored by Kiwanis International, a service club for men. Key Club is also an international organization with clubs in Canada and a few other countries.

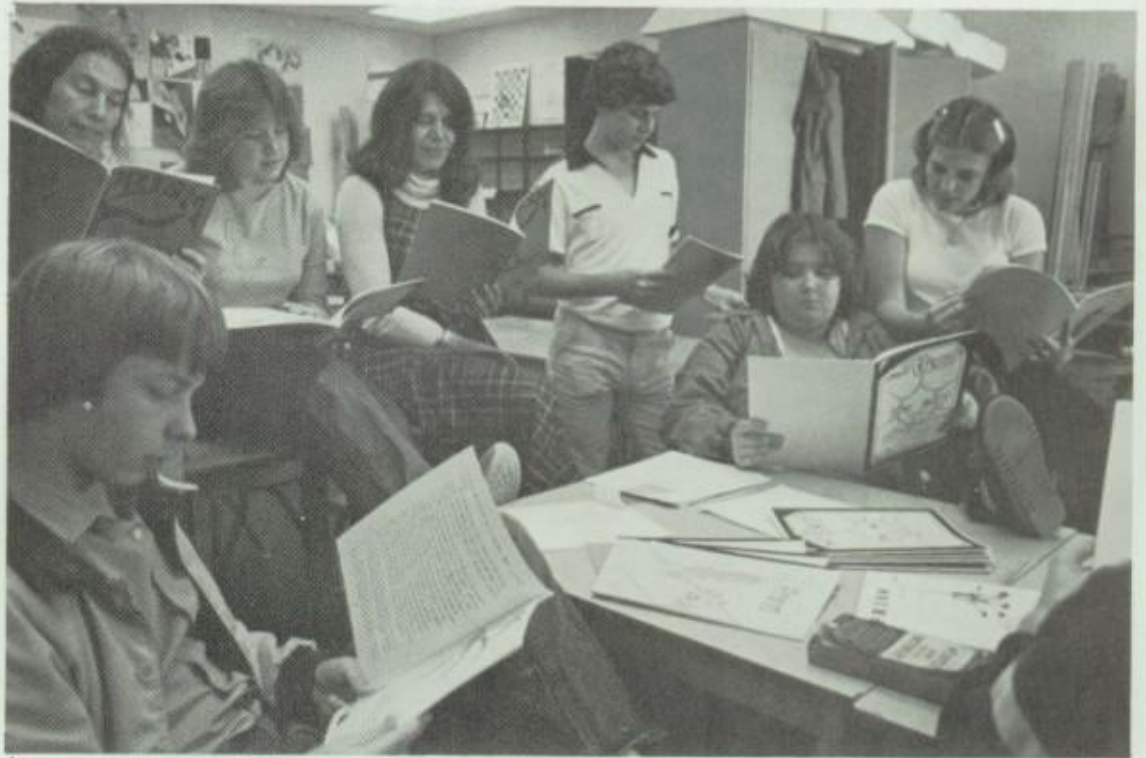

The school's club consist of about 30 members. Among those members are the officers: President: Lisa Parker, Vice President: Vince Morello, Secretary: Annette Blaylock, Treasurer: Rick Mavrakis, Sergeant at Arms: Dee Lovrin, and Advisor: Mr. Owens. This year they hosted their fourth annual Dance-a-thon to raise money for Muscular Dystrophy Association. Other community related affairs that they are involved in are: The Special Olympics and singing Christmas Carols at local convalescent hospitals. The highlight of their social events was their annual California-Neveda-Hawaii District Convention.

COUGAR PUBLICATORS

This year the Prism Staff managed to do a job short of excellent. They had received many different poems, short stores, and numerous pen and ink drawings from the students at the Ranch. The staff members worked dilligently to get the rough draft to the printers on time, to make 81-82 one of their most productive years, thanks to the moral support of their two advisors: Ms. LaVoie and Ms. Aiona.

For the second consecutive year the Paw Prints have managed to out do itself. The staff meets every morning during Zero Period, that is at 7:00, to make sure that the students at the Ranch were well informed of their surroundings. Some 10 or more copies of the Paw Prints was published during the Academic year.

The first step taken to become a Peer Counselor is to complete a class entitled Communication Workshop. This class is a semester course that is taught by Ms. Geyer. In the class the students discuss major teen-age problems and what they are going to be faced with after high school. The major topics that are discussed in the course are: Pregnancy, Abortion, Marriage, Divorce, and Death. After completing the course the choice is up to the individual student to take a period of each of his/her school day to give advice to students with problems. "The one thing that we don't do is tell a person what is right or wrong. We do whatever we can to help them by giving the students phone numbers and/or addresses for additional help." stated Sharol Champagne. If the question is ever raised on what the RAP ROOM is tell the person that it is the home base for the Peer Counselors.

MARCHING TO THE BEAT

The 1981 Flag Team consisted of 18 people this year including six returning members. All members agreed that it required hard work and devotion to remain on the team. The biggest test that was put before them was getting up at 4 O'clock in the morning to get ready for a parade. LOUISE BODEL, the team captain, stated, "It's hard work but also fun." The girls practiced every day during fourth period and 2-3 times a week after school, depending upon their routine.

PAIGE COLLIN said, "It is a way of getting involved, also you get to know the people on the team better." Some of the parades they attended were: Ukiah Parade, Sacramento Band Review, Concord-Hayward Flag and Drill Competition, Santa Rosa Rose Parade, Cal Berkeley Band Day, and the Chico Parade. Other places they performed were: home Basketball and Football Games, also for the Rohnert Park City Council. During the Spring Semester they recruited girls for Drill Shield, Banner, Color Guard, Tall Flag, and Rifles positions.

OF THE BAND

2

The '81-82 RCHS Band, directed by Mr. Wright and Drum Major, John Peters, had an active year. The Band and the Flagteam attended similar competitions, with a few exceptions, bringing home a 2nd place trophy from the Chico Parade of which the band members and section leaders were very proud. The Band Section leaders were:

Percussions-Rick Voets
 Trumpets-Mark Olesen

WHICH LANGUAGE IS FOR YOU?

Spanish Club is not only for students who speak Spanish but for those interested in the culture. Not only do the members of this club sell programs at football games and sponsor concession stands, they also make gingerbread houses and have bake sales. A Spanish Club tradition that is still alive and kicking is their advisor, Mrs. Marshall.

One club that people don't hear much from is the Grench Club. One may ask, "Isn't that the guy who tried to steal Christmas?" Well him too, but the Rancho Cotate Grench Club consists of students who have French or German language classes. German plus French equals GRENCH. The club is advised by Mrs. Beltz.

i WE GOT SPIRIT!

One of the most inspirational clubs this year was the Pep Club. This particular club symbolized school spirit and each member helped promote just that at rallies and other school related events such as basketball and football games. With their devoted advisor they were not only the most inspiring club but also the largest on campus. Consisting of some 50 or more students, this year among some of their fundraisers they sold COUGAR sweatshirts.

SITE COUNCIL WINS SIP

The Rancho Cotate Site Council had an extremely busy year implementing goals for the newly won school improvement Plan (SIP) Grant. It has afforded many very positive changes in its first year, such as, a guidance center housing the counselors and the career center, an orientation program for new students, a slide program, a four year forecast folder for each student, and a student Parent Handbook containing information for families, and entering students, extra-curricular activities on his transcript.

Computers were purchased and readied for classes to open in Fall '82.

Committees set up guidelines for academically able Advanced Placement classes. A committee cross department "Writer of the Month" recognition to the best writers in each department by placing their work in display cases in the library. A school environment program was designed.

MATH = NEW SYSTEMS

The Math Department teachers revised the geometry program this year. According to Mr. Davis, chairperson, teachers, through the use of new geometry textbooks, explored another approach to geometry with their students which proved exciting and valuable.

Another innovative approach was used in General Math classes. A general math system created by Mr. Robbins was tested. When his work on the new system is completed, it may be adopted for use in other General Math classes. The system held promise for its ease of interpretation of a student's strengths and weaknesses in Math concepts. It allows teachers to pick up the needs of students quickly in order to start on an individualized program for each particular problem area.

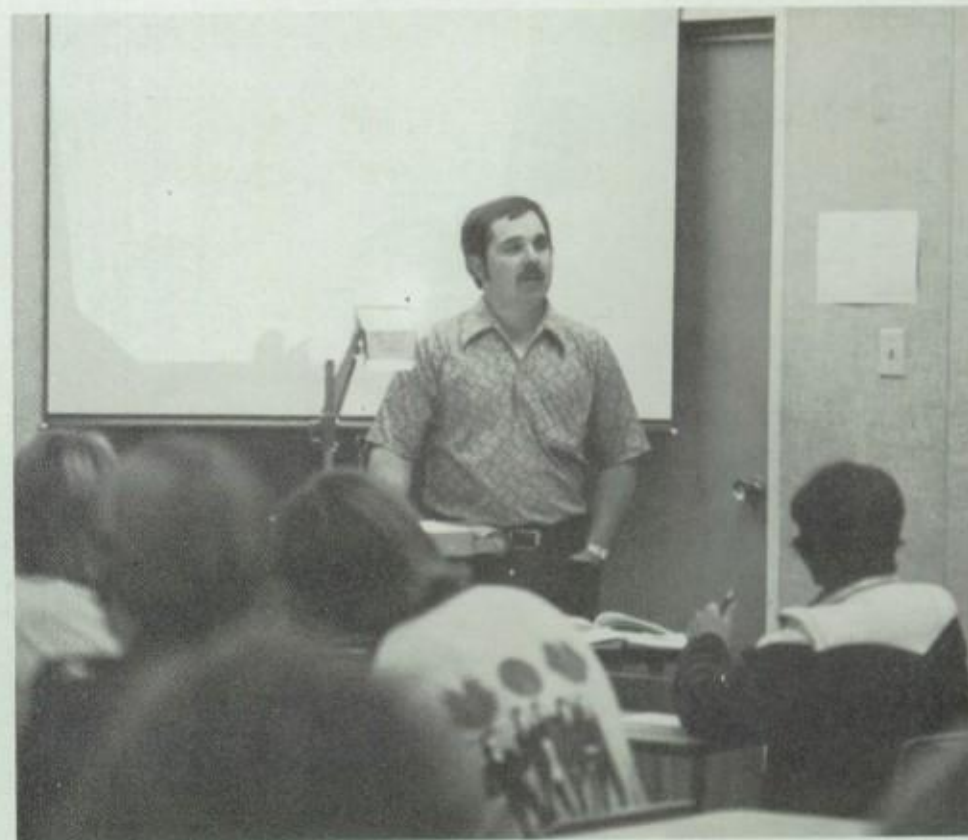

Instruction in computer programing was under investigation because the availability of computers in the Math classroom was seen as a probability in the near future.

Mr. Davis shared the department's plan for the future. "We hope to be competing in a county wide math league before the year is out," he said, "as well as do a TV program which will involve the RCHS students." "The teachers," he added "hope to spend time revising and updating the curriculum also."

As with other departments, there has been a cut in supplies but Mr. Davis said the teachers were "managing to survive."

Food Services and Electronics were Regional Opportunity Programs located at the Ranch. The training programs, open to students from throughout the county, were popular with Ranch students and they availed themselves to the training.

KOTATE KITCHEN SERVES HOME-COOKIN'

2. Ms. Coates, head chef of Kotate Kitchen.

3. Student prepares grill for the excellent cooking to be done.

4. Salad makers learn the tricks of the trade.

THIS IS IT.

Yes, THIS was where everything began and ended. In order to get back into class or get out of class, students saw the attendance clerks. Student Body cards were picked up from Ms. Anderson in the Annex. To find a lost item, students saw Ms. Gilbert. And to see Mr. Daggett, students saw Ms. Miller. THIS IS IT . . . the student information center of Rancho Cotate!

1. Ms. Katen and (2), Ms. Ballance attend to attendance. 3. Ms. Gilbert is the students' lost and found center. 4. Ms. Bell turns money into little yellow cards. 5. Ms. Miller is Mr. Daggett's secretary. 6. You will find Ms. Anderson in the Annex. 7. Ms. Weaver knows all about grades and units.

ART IS BASIC

1. Ms. TeSelle demonstrates portrait work for drawing class.
2. Ms. LaVoie talks with her students.
3. A pottery student trims his pot on the wheel.
4. Mr. Havemann grades Adam Lemos' ceramic cup.

The campus supervisors were visible and available to students during school hours. They also manned the RC Room and kept their ears and eyes open to student problems. On their hit list were class cutters, dope dealers and tire peelers.

SOCIAL "STUDIES" HISTORY

The Social Studies and History teachers have been in the process of revamping their program. They decided to implement a college prep course for Fall '82. They plan an advanced placement course for the following year. They have discarded the quarter approach to history in favor of a year long class in American History with the same teacher. The program will go into effect this fall.

It has been a year of working with ideas and one of creative problem-solving.

DECISION-MAKERS ADDRESS CHANGE

Rancho's Principal, Mr. Robert Daggett, held the philosophy that "our school is to stimulate and guide each student toward reaching his or her full potential as a human being and toward becoming a thoughtful, responsible, productive member of our society."

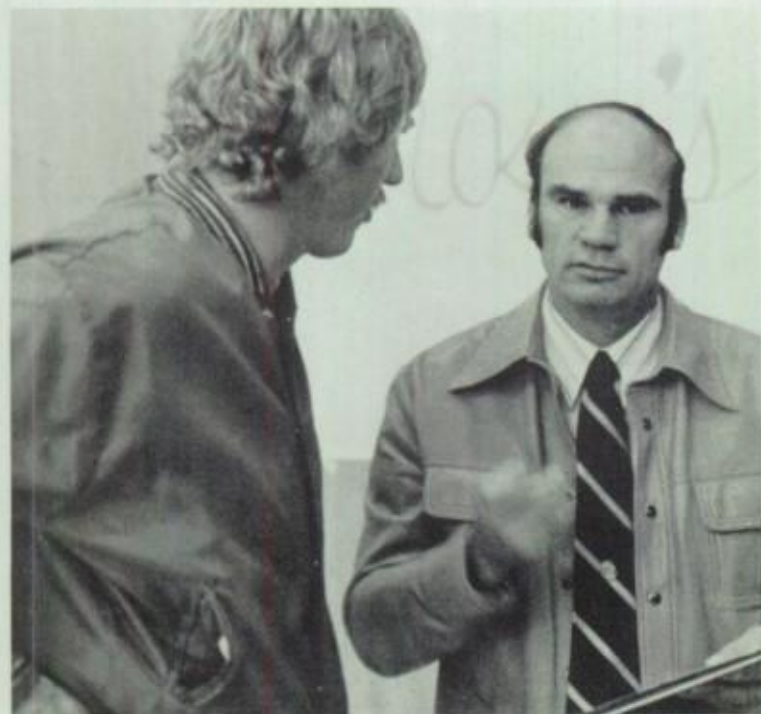

One of Mr. Daggett's goals was to motivate students to improve their written expression skills. "The teachers," he said, "have continued to emphasize the importance of written communication."

After Rancho Cotate's Western Association of Schools and award last year of a top accreditation which earned the school a six year endorsement, Mr. Daggett commented on the school's success and new challenges, saying, "Another goal is to comply with the W.A.S.C. recommendations."

He added, "With the School Improvement Program grant money won by the school Site Council, components have been added to improve learning and instruction."

Other groups have been helpful, also, in improving the school. "The band and the Cougar Program Aid Club are to be commended for

completing our school track and bringing it up to regulation standards," Mr. Daggett said.

Mr. Brock found this year to be an exciting one because of the School Improvement Program (SIP) and the new testing procedures provided by the school district.

The CTBS (California Test of Basic Skills) was given to every student. It provided valuable information about students' competency and academic needs.

Mr. Brock expressed pleasure with the development of the SIP plan which the school Site Council won last year. SIP, a five year grant, has afforded many very positive changes in its first year.

Ms. Miller commended students for knowing and obeying school rules. "This, of course, has lead to better rallies," she said, adding, "the parking lot situation has

also improved."

There were few disciplinary changes this year, however tobacco chewers were limited to the smoking area, a rule that was enforced to maintain cleanliness on campus.

Study Hall was held in D-1 where detention was also served for tardies and other refractions.

Student supervision was improved as a result of teachers helping at rallies and Mr. Tharpe's assistance during the lunch hour period.

1. Mr. Daggett, Principal, extends his warm welcome. 2. Mr. Brock, Vice-principal, converses with Mr. Francis, student activities advisor. 3. Ms. Miller, Dean of Students, talks with Mr. Tharpe, assistant with student supervision.

PEOPLE WHO MAKE LIFE BETTER

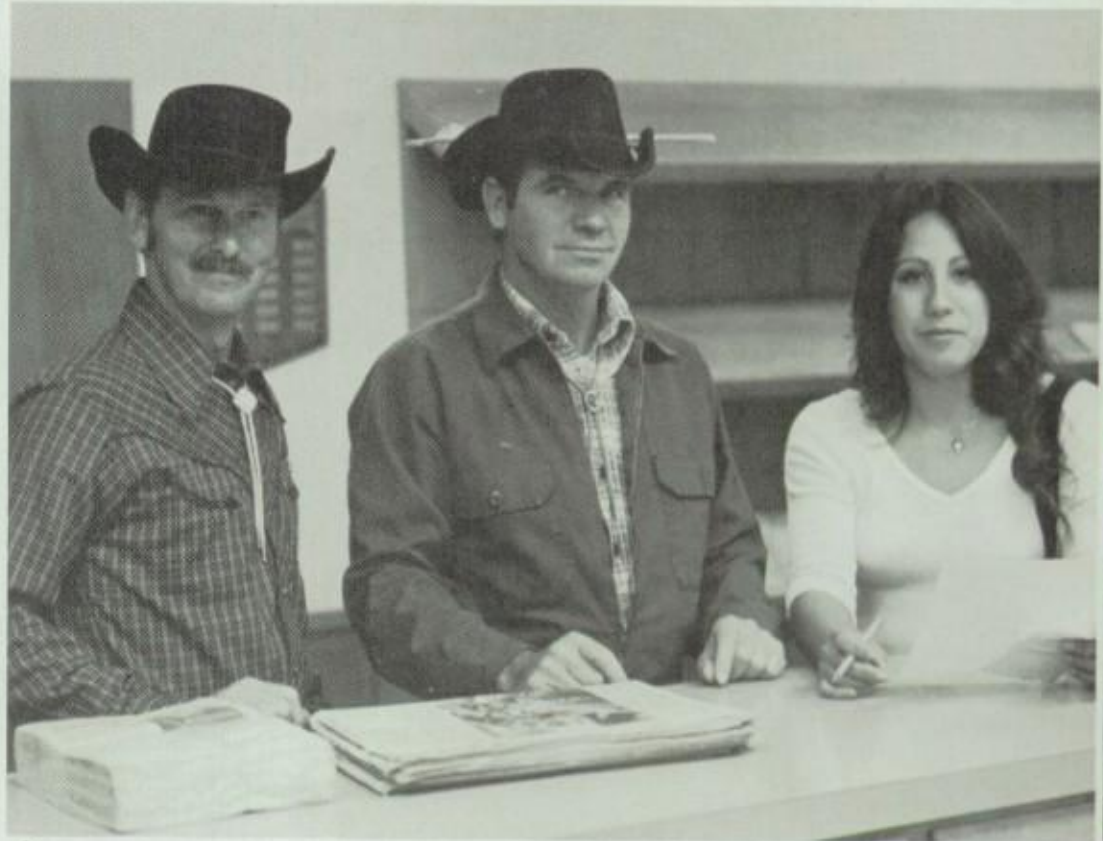

1. Our custodians, Mr. Willis, Mr. Ingerson, Mr. Wharton, and Mr. Crawford keep our classrooms clean while (2), Mr. Douglas and Mr. Harris keep things repaired. (3), Ms. Herskind and (4), Ms. Butler, Ms. Kunkel, Ms. Herskind, Ms. Sugiyama, and Ms. O'Donnell keep us well fed.

BOARD BRIEFS

Leslie Bell, Rancho's student representative on the Cotati-Rohnert Park Unified School Board, said, "The experience on the Board has been a good one. I have enjoyed it and learned much."

Two new Board members were elected. Mr. J. Fischer and Mr. A. Camozzi joined Mr. J. Rodrigues and Mr. F. Gleason. Mrs. A. Wells was re-elected.
